# Best Hair

## BLAKE LIVELY

Let's gossip for a second about how gorgeous this actress' hair is — it's beyond! For long-lasting style, she trusts the Best Hairspray pick: Oribe Superfine Strong Hair Spray (above right).

## Hairspray

**Oribe Superfine Strong Hair Spray, \$34, [oribe.com](http://oribe.com)**

**WHY IT WINS:** This flake-free formula comes with serious hold and so much more: UV protection, lustrous shine and a scent so good that it should be sold separately!

**WHO USES IT:** Blake Lively

## Dry Shampoo

**Suave Professionals Dry Shampoo, \$3, drugstores**

**WHY IT WINS:** Call it our dirty little secret, but thanks to this dry shampoo we often skip a day (or two or three) of sudsing our strands. It soaks up oil, restores volume and smells incredible! Shhh... we won't tell if you don't.

**WHO USES IT:** Celeb stylist Theodore Leaf, whose clients include Jenna Ushkowitz

## Conditioner

**Herbal Essences Touchably Smooth Conditioner, \$3, drugstores**

**WHY IT WINS:** Blowouts go much more smoothly (forgive the pun) after a dollop of this frizz tamer in the shower.

**WHO USES IT:** Celeb stylist Charles Baker Strahan, whose clients include Whitney Port and Lauren Conrad

## At-Home Color Innovation

**Color Oops Hair Color Remover Wipes, \$5, [ulta.com](http://ulta.com)**

**WHY IT WINS:** There's nothing worse than the telltale ring around the hairline. These alcohol-free wipes lift off lingering color without stripping your skin.

**WHO USES IT:** Celeb hair and makeup artist Jim Crawford, whose clients include Jill Zarin and Rashida Jones

## Treatment

**Nexus Salon Hair Care Pro-Mend Split End Binding Targeted Leave-In Treatment Creme, \$10, drugstores**

**WHY IT WINS:** With just one use of this cream, 92 percent of split ends are bound back together (Really — we saw it under a microscope!) for the look of freshly cut hair.

**WHO USES IT:** Celeb hairstylist Kevin Mancuso, whose clients include Sienna Miller and Mandy Moore
